

Overview of various surcharges

Our customers should be able to avoid fees and surcharges by acting in a way that is part of reducing the costs in the commerce chain – being of benefit to all parties.

Prices

The installer prices in force at the time in question as appearing from our online price records. On electronic orders, we grant the current discount, including self-service in the service departments. On orders submitted by other means, we grant the current discount, when the total purchase/list price exceeds 2.000,- DKK.

Drop fee

For every delivery address, we charge a drop fee of 89,- DKK per day.

Special order goods

On special order goods, we charge a fee of minimum 299 DKK. Extraordinary costs can be charged separately.

Freight

Freight fees from Solar follow your purchase pattern, i.e. if your purchase exceeds 3.500 DKK per order, we deliver free of charge to the address.

Is your purchase less than 3.500 DKK per order, we charge a freight cost of 59 DKK and is your purchase less than 2.000 DKK per order, we charge a freight cost of 99 DKK. Please, note that we will add the actual cost at special or crane deliveries.

If you choose to deviate from the agreed delivery setup, an additional freight cost will be charged.

Packaging contribution

For each order we charge a packaging contribution of 13,- DKK.

Cable cutting

As to deliveries in special measured lengths, we calculate a service charge per cutting off. For cable types up to 50 mm² the charge is 99 DKK per cutting off. For cable types from 70 mm², the charge is 249 DKK per cutting off.

In our electronic ordering system, you can find information regarding which cables are included in our cable cutting service. Cable >Ø160 cm. drums are invoiced with a mortgage -will be credited in full provided when they returned in perfect condition.
