

Opret Fastbox på Webshop:

<p>Klik på Ordreoversigt og derefter på Fastbox øverst til venstre:</p>	 <p>The screenshot shows the top navigation bar of the Solar webshop. On the left is the 'solar' logo. To its right are the links 'PRODUKTER' and 'DIN BR'. Below this is a 'LEVERINGSFORM' (Delivery Method) section. It contains two radio buttons: 'Normal' (which is selected) and 'Fastbox' (which is highlighted with an orange rectangular box).</p>
<p>Vælg adressen, hvis det er en af jeres faste adresser:</p>	 <p>The screenshot shows the 'Start Fastbox Levering' page. It includes a heading, a sub-heading, and a paragraph explaining that delivery options are limited to the selected address. There are two dropdown menus: 'VÆLG PROJEKT' (set to 'Fravalgt') and 'VÆLG LEVERINGSADRESSE'. The 'VÆLG LEVERINGSADRESSE' dropdown is highlighted with an orange box. At the bottom right, there are 'Annuller' and 'Godkend' buttons.</p>
<p>Hvis det ikke er en kendt adresse, så kan du tilføje en ny adresse ved at klikke på pilen, skrive et bogstav i søgefeltet og klikke på Klik her for søgning efter ikke oprettede adresser:</p>	 <p>The screenshot shows the 'Start Fastbox Levering' page with a search for a new address. The 'VÆLG LEVERINGSADRESSE' dropdown is open, showing a search bar with 'aa' entered (highlighted with an orange box). Below the search bar is a list of 'Tilgængelige adresser' (Available addresses), which is currently empty. A message states 'Søgningen gav ingen resultat "aa"'. At the bottom of the dropdown, there is a link 'Klik her for søgning efter ikke oprettede adresser' (highlighted with an orange box). The 'Annuller' and 'Godkend' buttons are also visible.</p>
